PRESS RELEASE

SST joins Kenton Primary on walk to Kwaaihoek

The Sustainable Seas Trust (SST) accompanied Kenton on Sea Primary on a fundraising walk to Kwaaihoek on the 16th of May 2014. SST Marine Biologist, Meghan Rousseau, was on hand to identify sea critters of all shapes and sizes to the eager learners.

Ndlambe Municipality Environmental Conservationist, William Bode, also fondly referred to as 'The Blue Flag Beach Man' distributed booklets among the learners to encourage their marine explorations while Ndlambe Municipality Environmental Law Officer, Willem Nel, explained all the rules and regulations of using our beaches in a sustainable manner. Representatives from the Department of Agriculture, Forestry and Fisheries (DAFF) also addressed the learners.

They say a picture paints a thousand words – SST shared photographs of the outing with you via Dropbox invitation but they are also available from SST's Facebook album [here](#).

Not only was this a fun and educational outing for the whole school but the school managed to raise R8500.

*For more information about the outing please contact meghan@sst.org.za

Trustees: Robert Lowe (Chairman), Frederick Krohnert (representing Nedbank Trust), Richard Laing, Baldwin Ngubane, Frederick Oosthuizen, Anthony Ribbink, Michael Rodel, Louis van Vuren
